

**SOCIO ECONOMIC  
PROFILE  
BARANGAY 39  
BACOLOD CITY**

## VISION

Envisioned as one of the progressive and drug-free barangay in the city, through a transparent, responsive public service; with leaders, that is leading by example.

## MISSION

To encourage the principle of shared responsibility, where government leaders and the people has a role to play; to embrace the virtue of gratitude; to know the value of self-sufficiency through hard work; and the conscientious participation of the people, to effectively facilitate social change in the barangay.

## HISTORICAL BACKGROUND

Barangay 39 was created in 1973 by virtue of Presidential Decree No. 86 and 86-A stating that all barrios, sitios and polacion in the Philippines will be changed into Barangays. This was a significant day for the Barangay because with the decree, they were given status as the basic government unit in the nation's political structure.

Barangay 39 of Bacolod city is also known as the "Greenest Barangay."
