## **HISTORICAL BACKGROUND**

Barangay 4 was created by the City Ordinance No. 08 last December 17, 1985. It also approved and adopted the Recommended Delineation of Boundaries of Sixty One (61) urban and rural barangays of Bacolod City. Barangay 4 covers a total land area of 24.713 has or 247,130 m<sup>2</sup>.

When it was chartered it has originally four (4) Puroks namely Kamote Kahoy, Saylan, Tam-is and Ube. But due to migration of informal settlers and increase in birth rate, two (2) additional Puroks were formed namely Oraro in 2002 and Gabi in 2011. This step was implemented to serve constituents efficiently and effectively in providing basic services in the practice of good governance.

Mr. Patricio Baterna was the first appointed Punong Barangay and he served for a period of ten (10) years. Due to the demands of the existing conditions and in order to have a semblance of people participation in the government, Parliamentary Bill No. 2125 was filed at the Batasang Pambansa calling for the election of Barangay Officials.
