AN ORDINANCE AMENDING SECTION 7 OF CITY ORDINANCE NO. 185, SERIES OF 1997, AS AMENDED BY CITY ORDINANCE 288, SERIES OF 2001, OTHERWISE KNOWN AS "AN ORDINANCE REGULATING THE OPERATION OF MOTORIZED TRICYCLE AND GRANTING FRANCHISE FOR OPERATION THEREOF WITHIN THE TERRITORIAL JURISDICTION OF THE CITY OF BACOLOD AND PROVIDING PENALTIES IN VIOLATION THEREOF".

**WHEREAS**, Section 7 of City Ordinance No. 185 provides for the areas where motorized tricycles may be allowed to operate under a specific association, their respective terminals and the number of units allowed to ply within a specified route;

**WHEREAS**, several subdivisions and communities had mushroomed for the last (5) years in the city which prompted the subdivision homeowners to request for public transportation to be made available to their residents and that the most convenient and fastest means that they will be immediately provided with public transportation is through motorized tricycle;

**WHEREAS**, in some other areas where existing routes had already been defined by an existing ordinance, the sudden increase in population likewise constrained motorized tricycle associations to request for additional units to be allowed to ply in routes specified under said ordinance and to request for additional areas to be served in order to adopt with the fast changing times;

**WHEREAS**, Republic Act 7160 provides that the authority to grant franchise for motorized tricycles and to regulate the operation thereof, is devolved to the local government units, the Sangguniang Panlungsod in particular, in relation to their respective territorial jurisdiction;

**NOW THEREFORE**, be it ordained by the Sangguniang Panlungsod of Bacolod in a session assembled that:
