RESOLUTION NO. 1070
Series of 2022

RESOLUTION URGING THE PHILIPPINE LONG DISTANCE TELEPHONE COMPANY (PLDT) TO INSTALL A NETWORK ACCESS POINT OR FIBR BLACK BOX IN THE PREMISES OF THE BACOLOD CITY GOVERNMENT CENTER TO ENSURE THE RELIABILITY OF INTERNET CONNECTION IN THE VARIOUS OFFICES OF THE CITY GOVERNMENT.

Upon motion of Councilor Em L. Ang, jointly seconded by Councilors Claudio Jesus Raymundo A. Puentevella, Lady Gles Gonzales-Pallen, Jason Isidro S. Villarosa and Israel P. Salanga, the Sangguniang Panlungsod of Bacolod

RESOLVED, to pass the following resolution:

WHEREAS, it has been a declared policy of the State through Republic Act No. 10929 otherwise known as the Free Internet Access in Public Spaces Act that a fast and reliable internet connection plays a vital role in delivering government services especially in the digital age we are currently living in;

WHEREAS, internet connectivity is essential in the efficient delivery of services by the various offices at the Bacolod City Government Center;

WHEREAS, currently, the network access point or Fibr black box nearest the Bacolod City Government Center (BCGC) is located at Helvetia Subdivision which is more or less three hundred (300) meters away;

WHEREAS, the long fiber optic cables from the network access point in Helvetia are just hanging and exposed right now which is prone to damage when it is hit by passing vehicles and thereby causing internet service in the area to be interrupted;

WHEREAS, the reliability of internet connection in fiber optic cables depends on the length of cable from the access point to the junction box of the different offices;

WHEREAS, to ensure that the internet connection being serviced by PLDT in the BCGC is secure, fast and reliable, it is necessary for the Sangguniang Panlungsod to pass this resolution;

NOW THEREFORE, BE IT RESOLVED AS IT IS HEREBY RESOLVED, to urge the Philippine Long Distance Telephone Company (PLDT) to install a network access point or fibr black box in the premises of the Bacolod City Government Center to ensure the reliability of internet connection in the various offices of the city government.

CARRIED BY THE VOTE OF:
