RESOLVED to pass the following resolution:

WHEREAS, Christmas is one of the most-widely celebrated holidays in the Philippines and the celebrations traditionally begin as early as the first day of December;

WHEREAS, Christmas celebrations create more recyclable waste than at any other time of year;

WHEREAS, we can each help cut back on the impact of pollution generated during the season by exchanging eco-friendly Christmas gifts, using green Christmas trees, homemade Christmas decorations, LED Christmas lights to save on energy, re-use or recycle wrapping paper, putting gifts in reusable bags and patronizing products of companies or organizations known to implement green practices;

WHEREAS, aside from keeping parties clean, the citizenry can also benefit by segregating bio-degradable, recyclable and unusable wastes as well as holding activities that would promote environmental causes such as tree-planting;

WHEREAS, in the midst of the celebrations, Bacolodnons should be responsible in disposing trash, so as not to wreak havoc to our already degraded environment;

WHEREAS, Christmas should be a time to give thanks to our Creator for giving us one earth to live in, and the best way to show this gratitude is by being responsible stewards of His creation;

NOW THEREFORE BE IT RESOLVED, AS IT IS HEREBY RESOLVED, to urge all Bacolodnons to observe an Environment-Friendly Christmas Season.
