4. Registration Of Tourism-Related Establishments

City Ordinance 370, Series of 2004 known as the Tourism Code of Bacolod City, classifies all tourism-related businesses and imposes assessment/license fees according to establishment classification e.g., Class A, Class B restaurants, or first class or economy hotels. A one-time registration fee for establishments is required. The Ordinance supersedes all previous city ordinances on assessment and regulatory fees of tourism-oriented establishments. This is a pre-requisite for tourism-oriented businesses in securing a business permit.
