RESOLUTION NO. 390
Series of 2024

RESOLUTION ADOPTING THE HEALTH PROMOTION FRAMEWORK STRATEGY 2030 IN THE CITY-WIDE HEALTH SYSTEM OF BACOLOD CITY.

Upon motion of Councilor Claudio Jesus Raymundo A. Puentevella, jointly seconded by Councilors Em L. Ang and Celia Matea R. Flor, the Sangguniang Panlungsod of Bacolod

RESOLVED, to pass the following resolution:

WHEREAS, the Bacolod City Local Health Board approved Resolution No. 042524-04, dated April 25, 2024 requesting the Sangguniang Panlungsod of Bacolod City to pass a resolution ADOPTING THE HEALTH PROMOTION FRAMEWORK STRATEGY 2030 IN THE CITY-WIDE HEALTH SYSTEM OF BACOLOD CITY

WHEREAS, Republic Act No. 11223, otherwise known as the Universal Healthcare (UHC) Act and its Implementing Rules and Regulations mandates an integrated and comprehensive approach in ensuring that all Filipinos are health literate, provided with healthy schooling, living, and working environments, and are protected from any hazards and risks that could adversely affect their health status;

WHEREAS, Section 30 of the UHC Act directs Local Government Units (LGUs) to issue and implement effective health promotion policies, programs, and activities that promote health literacy and healthy lifestyle among their constituents, prioritizing interventions that address key risk factors to prevent and control disease, as well as to advance population and individual health and well-being;

WHEREAS, Section 17 of the UHC Act further emphasizes the critical role of LGUs in health promotion, and requires that Province-wide and City-wide Health Systems shall have proactive and effective health promotion programs and campaigns as components of its population-based health services;

WHEREAS, the Department of Health (DOH), in realizing the above mentioned provisions and as required by the UHC Act, formulated the DOH Administrative Order No. 2021-0063 or the Health Promotion Framework Strategy (HPFS) 2030 to serve as the overall national health promotion roadmap and basis for all health promotion policies, programs, and activities at the national, regional, and local levels;

WHEREAS, the HPFS 2030 requires that the development and implementation of health promotion policies, programs, and activities shall focus on the following priority areas and risk factors of: (i) diet and physical activity, (ii) environment health, (iii) immunization, (iv) substance use, including use of tobacco, alcohol, and illicit drugs, (v) mental health, (vi) sexual and reproductive health, and (vii) violence and injury prevention;

WHEREAS, the HPFS 2030, in implementing health promotion interventions on the above priority areas, requires the adoption and application of a settings-based approach strategically and comprehensively in key settings, including local residential or neighborhood communities at the barangay level, local schools and learning centers, and local workplace settings or environments;

WHEREAS, the HPFS 2030 requires the conduct of health literacy assessments to inform the planning, production, and implementation of interventions aimed at increasing health literacy levels and improving the population's knowledge, attitudes, and practices on the relevant priority areas;

WHEREAS, the HPFS 2030 requires whole-of-system, whole-of-government, and whole-of-society action through partnerships and collaborations with government instrumentalities, non-government, civil society or community-based groups and organizations, local academic institutions, the private sector and other entities whose goals and objectives are in line with the public health sector's strategic directions and standards;

WHEREAS, that the City of Bacolod is mandated to issue and implement effective health promotion policies, programs, and activities, shall adopt the provisions and principles of the DOH Administrative Order No. 2021-0063 or the Health Promotion Framework Strategy 2030;

WHEREAS, that the City of Bacolod shall work to progressively ensure dedicated local committees, offices, units and persons overseeing the implementation of health promotion policies, programs and activities in the City as prescribed by the HPFS 2030;

WHEREAS, that the City shall integrate resource requirements for the implementation of local health promotion ordinances, policies, programs, and activities anchored on the HPFS 2030 into the City Local Investment Plan for Health and Annual Operational Plan;

NOW THEREFORE, BE IT RESOLVED AS IT IS HEREBY RESOLVED, to adopt the Health Promotion Framework Strategy 2030 in the City-Wide Health System of Bacolod City.
