RESOLUTION NO. 850
Series of 2026

RESOLUTION RESPECTFULLY REQUESTING THE HONORABLE CITY MAYOR, GREG G. GASATAYA TO CONVENE THE TECHNICAL WORKING GROUP CREATED UNDER CITY ORDINANCE NO. 336, SERIES OF 2003, KNOWN AS "AN ORDINANCE REGULATING THE NUMBERING OF RESIDENTIAL, COMMERCIAL, AND OTHER BUILDINGS IN THE CITY OF BACOLOD", AS AMENDED, TO ENSURE THE EFFECTIVE IMPLEMENTATION OF THE CITYWIDE BUILDING AND STRUCTURE NUMBERING SYSTEM IN BACOLOD CITY.

Upon motion of Councilor Caesar Z. Distrito, seconded by Councilor Em L. Ang, the Sangguniang Panlungsod of Bacolod

RESOLVED, to pass the following resolution:

WHEREAS, City Ordinance No. 336, Series of 2003, entitled "An Ordinance Regulating the Numbering of Residential, Commercial and Other Buildings in the City of Bacolod," established a uniform system of numbering residential, commercial, and other buildings and structures within the City to facilitate easier location, identification, and delivery of public services;

WHEREAS, recognizing the need to strengthen the implementation of the Ordinance, the Sangguniang Panlungsod enacted City Ordinance No. 08-15-757, Series of 2015, which amended City Ordinance No. 336 by creating a Technical Working Group (TWG) to oversee the planning, preparation, and implementation of the Building Numbering System and expressly directed the TWG to formulate the Implementing Rules and Regulations (IRR) within Sixty (60) days from the effectivity of the amendatory Ordinance;

WHEREAS, the Technical Working Group is composed of the City Mayor as Chairperson, together with Representatives from the City Administrator's Office, Office of the Building Official, City Planning and Development Office, City Engineer's Office, Bacolod Housing Authority, Public Affairs and Assistance Division, all Punong Barangays of Bacolod City, the Philippine Statistics Authority (formerly the National Statistics Office), the Philippine Postal Corporation-Bacolod City Post Office, and a Representative from the Sangguniang Panlungsod;

WHEREAS, despite the lapse of more than Two (2) decades since the enactment of City Ordinance No. 336 and nearly Eleven (11) years since the approval of City Ordinance No. 08-15-757, the full implementation of the Ordinance remains unrealized due to the absence of a duly formulated and adopted Implementing Rules and Regulations;

WHEREAS, the immediate implementation of the Ordinance has become both urgent and imperative considering the increasing demand for an organized, standardized, and reliable addressing system throughout Bacolod City that will accurately identify every residential, commercial, industrial, institutional, and other structure within the City's territorial jurisdiction;

WHEREAS, a Comprehensive and Uniform Building Numbering System is essential in ensuring the prompt and accurate delivery of judicial processes, subpoenas, summons, warrants, court notices, official government communications, tax assessments, utility bills, election notices, and other legal and administrative documents, thereby minimizing instances of delayed, misdirected, or undelivered correspondence;

WHEREAS, the rapid expansion of electronic commerce and digital marketplace transactions has significantly increased the volume of parcels, packages, medicines, food deliveries, and other consumer goods delivered daily to Bacolod residents, making a standardized address system indispensable in improving logistics, courier operations, delivery efficiency, and customer convenience while reducing failed and erroneous deliveries;

WHEREAS, the implementation of the Ordinance will likewise greatly enhance Emergency Medical Response, Fire and rescue Operations, Police Services, Disaster Risk Reduction and Management, Census-taking, Business Regulation, Taxation, Urban Planning, Geographic Information Systems (GIS), Utility Services, Investment Promotion, and other government functions that depend upon the accurate identification of properties and structures;

WHEREAS, the Sangguniang Panlungsod recognizes that the successful implementation of City Ordinance No. 336, as amended, will promote public convenience, improve the efficiency of government services, strengthen public safety, and contribute to the orderly urban development of Bacolod City.

NOW THEREFORE, BE IT RESOLVED AS IT IS HEREBY RESOLVED, to respectfully request the Honorable City Mayor Greg G. Gasataya to convene the Technical Working Group created under City Ordinance No. 336, Series of 2003, known as "An Ordinance regulating the numbering of Residential, Commercial, and other Buildings in the City of Bacolod", as amended, to ensure the effective implementation of the Citywide Building and Structure Numbering System in Bacolod City.

CARRIED BY THE VOTE OF:
